General Directions from Downtown to NORPAC Controls

- ❖ Get onto Lougheed drive, Gagliardi is east of NORPAC, Willingdon and Kensington are both west of NORPAC
- ❖ If you are coming from the east, take Lougheed to Brighton and turn left (south). Follow Brighton to Winston Street then turn right (West) and follow Winston to Remi Place, which will be on your left (south).
- ❖ If you are coming from the west, take Lougheed to the 'Winston Slip' at which point you follow the right fork onto Winston and continue to Remi Place, which will be on your right (south).
- ❖ If you are coming along Kensington, just follow the signed directions to Winston, then follow Winston to Remi Place, on your right (south).

Directions from Airport to NORPAC Controls

- ❖ Travel East on Grant McConachie Way. Go across the Arthur Laing Bridge. Stay in the right hand lane. Take the Marine Drive Exit.
- ❖ Follow Marine Drive SE to Boundary Road
- ❖ Turn left on Boundary. Follow until you reach Lougheed Highway.
- ❖ Turn right on Lougheed Highway.
- ❖ Take the Winston Slip.
- ❖ Follow Winston Street until you see NORPAC Controls Ltd on the right hand side on the corner of Winston and Remi Pl.

If you miss the Winston Slip –

(You will know that you have missed the Winston Slip once you have passed Sperling Ave. – there is a Chevron Gas station on the left)

- ❖ Keep on going down Lougheed until you reach Production Way and/or Brighton Ave.
(Not sure what the sign says. Depending on which way you turn, the streets have different names)
- ❖ Turn Right on Production Way and/or Brighton Ave
- ❖ Go down to the end of the Road and turn right on Winston Street
- ❖ Turn Left on Remi Place.
