

**Fisher Controls International**

- Control Valves – High Performance Globe and Rotary
- Severe Service – Noise and Cavitation Reduction Technologies
- Corrosion, Erosion and Slurry Solutions
- Actuators and Positioners – Pneumatic, Electric, Electrohydraulic

**CON-TEK**

- Steam Conditioning Valves and Desuperheaters

**Process Instrumentation**

- FieldVUE – Digital Valve Controller
- Predictive Maintenance Diagnostics
- Electronic and Pneumatic Instrumentation
- Field Automation Systems – Flow Computers, RTU's, ROC Remote Operations Controller

**Baumann**

- General Purpose Control Valves
- Low Flow Control Valves
- Sanitary Valves

**Regulator Division**

- Natural Gas Pressure Regulators, Monitors, and Relief
- Process Gas, Steam, Liquid Regulators and Relief
- Sanitary Regulators

**Emerson Education Services – Local, Factory, Site Training**

- Valve, Regulator and Instrument Engineering
- Valve, Regulator and Instrument Maintenance and Repair

**Emerson Instrument and Valve Services**

**Repair Services**

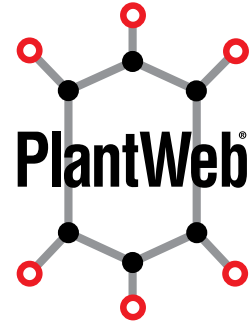

- Valve and Instrument Repairs – Local, Site
- Field Commissioning and Start Up Services
- Control Valve and Instrument Diagnostics
- Field Calibration Checks and Verification

**Shutdown Management**

- Maintenance and Shutdown Management
- Predictive Diagnostic Services

**Remanufactured Valves**

- ENCORE and Instant Repair Programs

**Emerson Process Systems and Solutions**

**PlantWeb** – Digital Plant Architecture

**DeltaV** – Scalable Control System

**PROVOX** – Distributed Control System

**AMS** – Asset Management Solutions

- Asset Portal
- Device Manager
- Machinery Health

**Asset Optimization**

- Asset Reliability Services

**Process Solutions – Local, N.A.**

**Emerson Industry Centres**

- Process Optimization
- Advanced Process Control Turn Key Solutions
- KPI Improvement Solutions

**Project Services – Local, N.A. Emerson Industry Centres**

- Functional Specification and Solution Design
- Project Implementation Management
- System Engineering and Integration
- Factory Acceptance Testing
- Industrial Network Design and Training
- Installation, Start Up, Commissioning

**Emerson Education Services – Local, Factory, Site Training**

- Configuration
- Maintenance
- Operations

- Enterprise Manufacturing Intelligence Software

# ROSEMOUNT®

## Pressure

- Absolute and Gauge Pressure Transmitters
- Differential Pressure Transmitters
- Instrument Manifolds

## Temperature

- Temperature Transmitters and Elements

## Level

- Remote Diaphragm Seals for Level Applications
- Radar Level Transmitters - Non-Contacting, Guided, 4-wire, 2-wire
- Level Switches

## Flow

- Annubars and Compact Orifice Plates
- Multi Variable and Mass Flow Transmitters
- Magnetic Flowmeters
- Vortex Flowmeters

- Multi-path Ultrasonic Gas Flowmeters
- Liquid and Gas Turbine Meters
- Orifice Meters and Plates, Flow Nozzles, Venturis
- Orifice Flange Unions, Meter Runs
- Gas Chromatographs
- Presets
- Custody Transfer Approved Flow Meters

# ROSEMOUNT® Analytical

## Liquid Analytical Division

- Suspended Solids Analyzers
- Water Quality and Automated Systems Analyzers and Sensors for:
  - pH
  - ORP
  - Conductivity
  - Concentration
  - Dissolved Oxygen
  - Ozone
  - Chlorine
  - Turbidity

## Process Analytical Division

- Combustion and Flue Gas Analyzers
  - Insitu Oxygen
  - Opacity/Dust Density Monitors
  - Oxygen/Combustibles
- Multi-parameter Gas Analyzers
- Continuous Emissions Monitoring Systems (CEMS)

## Gas Chromatographs

# Micro Motion®

- Coriolis Mass Flow and Density Meters
- Custody Transfer Approved Flowmeters
- Liquid, Gas, and Slurry Applications

The Valve Automation Specialists in B.C.

We will automate any manufacturers ball, butterfly, plug, gate, damper... Call us for all your automation requirements.

- Resilient and Metal Seat Ball Valves
- High Performance Metal Seat Butterfly Valves

- High Performance Butterfly Valves

- ASME Pressure Relief Valves

- Red Hat II General Service Solenoids

- GO Series Sealed Proximity Switches

- Electric Actuators

- Field Q and Elomatic Rack & Pinion Actuators

- High-Performance PFA & PTFE Lined Valves

- Electric, Hydraulic, Pneumatic Actuation

- Rotary and Linear Switch Packages

- Fabri-Valve Knife Gate Valves
- Dia-Flo Weir & Straightway Diaphragm Valves
